

Your Generous support is needed now more than ever!

The New Milford Bulls Football and Cheerleading organization has been a staple of youth sports in New Milford for over 50 years. The philosophy of our program is that youth sports and scholastic achievement go hand in hand. At every level, the Bulls strive to develop well-rounded young men and women who learn not only the fundamentals of football and cheerleading but also learn the importance of education in an atmosphere that promotes both.

This year, more than ever, we are kindly asking for your support! With your generous donation, you are able to help with field maintenance, gym rentals, officiating fees and other various operating expenses. This support also helps keep the cost of our program affordable to families in our community.

Without help from yourselves and other businesses, our program would not be possible!
